- 30 Years Employment with GTPD
- Last 15 years assigned to the Special Operation Division

1. Return as Part-Time to assist with Meetings, Coordinating events, etc..

Special Event Functions

- Security Meetings
- Coordinate Events
- Organize and Maintain Schedules
- Staff Assignments
- Supervise Details

Do I need to alert Georgia Tech Police (GTPD) of my event if I don't need security?

GTPD requests that all events register with the department to build awareness of campus activities. This does not commit you to security costs or coverage.

Events can be registered at any point in your planning process.
